

## Sneak peek tour of Atlanta Motorsports Park

**Date:** Saturday July 10, 2010

**Time:** 9:30 AM

**Location:** Dawsonville, Ga

**Host:** Atlanta Motorsports Park

**Summary:** Get an up close and personal look at the future home of Atlanta Motorsports Park!

### Sneak peek tour of Atlanta Motorsports Park:

You're invited to an invitation only informal sneak peek tour of the future home of [Atlanta Motorsports Park](#) (AMP), in Dawsonville, GA exclusively for Audi Club members. Ground has been broken and construction is well underway. Not many people can make the statement: "I stood on this ground before it was a racetrack", so now is the perfect time to get an inside look not only into the layout and elevation of the track starting to take shape, but also the careful planning that gone into this development.

Also, since they are under construction, the folks at AMP are always looking for good ideas to implement into the project, so the only bad idea is the one you do not share. The best idea wins with their team, not necessarily their ideas alone.

**Join us on Saturday, July 10th at 9:30 AM (RSVP requested)** as the Founder and his team give us a walk-through of the under construction course and the facilities. So wear some shoes you can get dirty!

AMP has spared no expense designing their first class driving course using **Tilke Engineers & Architects**, the famed Formula One Track designers. Six unique and challenging course configurations are being built, along side permanent garages, executive member lounges, a pool, tennis courts, retail showroom and much more! Do you have the need for speed? AMP has a faster top speed straight and more elevation changes than Road Atlanta!

**What is AMP?** They are a motorsports country club, similar to that of a gold country club, but instead of a a golf course, they have a road course. This is a place for family, friends, and your clients to come and enjoy an activity like no other, that they will talk about for months or years! 65 to 75% of their members are enthusiasts, not people who watch racing or even want to race, just your neighbor that owes a sports car and wants a place to drive it fast and safe.

**Don't miss this very special opportunity. To RSVP, please fill out the form at the bottom of this page.**

**DIRECTIONS:** Take 400 North, just past the Outlet Mall turn left onto Highway 53. Go through Dawsonville until 53 dead ends. Turn left, continuing on 53 around the "jug handle" (Think of driving straight through it, if there was not a building there)- you will pass in a few miles highway 183 or Elliot Family Parkway that veers off to the right. Your next right in 1.1 of a mile is Duck

Thurmond Road, turn right and AMP is about 1/8th of a mile on the right. Park on the LARGE gravel entrance. The address is 20 Duck Thurmond Road, Dawsonville.
