For the guy who has it all!
Give the gift of membership in
Atlanta Motorsports Park!

This motorsports country club is similar to a golf country club. You have a race course where you drive your own car at any speed. Designed for sports cars owners who want to drive fast in a safe environment without breaking the law, the AMP offers a 2 mile road course with 141 feet of elevation changes and lots of "run-off" areas. Enjoy driving at 150 MPH starting next weekend.
